About us

The best way to start

From the sunny lands of Colombia, we bring you a unique experience in every cup. Our coffee is carefully grown in the Colombian mountains, where climate and altitude come together.

With every sip of Amanecer Cafetero, you will discover the passion of generations of coffee growers who have perfected their craft over the years. Each bean is carefully selected and roasted to provide an unmatched flavor and an intoxicating aroma.

“Your best start” is more than a slogan for us; it is our promise to offer you the perfect boost to begin your day with energy and vitality. Whether you need a morning boost or a moment of relaxation in the middle of your busy day,

Amanecer Cafetero is here to accompany you in every special moment. Thank you for choosing Amanecer Cafetero to awaken your senses and start each day with a smile. Enjoy every sip and experience the true taste of Colombia!

¡Amanecer Cafetero – Your best start!

Our offer

CAFÉ AMANECER CAFETERO is pleased to present our Gourmet coffee. Our coffee is 100% Colombian, from the department of Antioquia, specifically from San Andrés de Cuerquia, and is grown at altitudes between 1,600 and 1,800 meters above sea level.

It is a Castillo variety, 100% Arabica, with a cup profile featuring an intense sweet caramel aroma, medium citrus acidity, a balanced medium body, and a delicate sweet chocolate flavor, guaranteeing an exceptional taste and superior quality. We comply with all Good Manufacturing Practices (GMP).

We have INVIMA certification, as well as origin and trademark certification from the National Federation of Coffee Growers of Colombia, ensuring that our products meet the highest standards of quality and safety.

Café Amanecer Cafetero can take you on a journey through coffee as an added value that will delight you with its aroma and flavor. Our product is environmentally friendly, with packaging made 70% from sugarcane bagasse, helping guarantee the freshness of our product.
